OF INTEREST TO ALL VOTERS OF NYE COUNTY

PLATFORM ADOPTED BY REPUBLICANS SHOULD BE READ BY ALL VOTERS

The platform of the republican candidates of Nye county, as drafted several weeks ago, should be carefully read by all voters of this county. It contains a list of measures, especially that part relating to the legislative candidates to labor for certain measures. For the benefit of those who have not read the platform it is reproduced here in full:

The republican candidates of Nye county assembled in convention, pursuant to the provisions of the primary law, offer no program that is not bulwarked with performance; makes no promises but what are for the interest of the tax payers and property owners of this county.

The past four years of republican rule in this nation has been such that we again give our hearty endorsement to the platform and candidates presented by the national republican convention. Never has the country been confronted with such problems and situations as have arisen during the last four years, and never have such problems been handled with such skill and courage. President Taft has demonstrated his fitness for the office he now holds, and for which he is a candidate for re-election, and though assailed by agitators and decryers by terrorists, the condition of the United States today is a tribute to his performance of every duty demanded.

The state republican platform and candidates likewise receive our unanimous endorsement.

Retrenchment in State Offices

We pledge our legislative candidates to the enactment of a measure reducing the expense of the state government to conform with the revenues of the state and prevent the further issuance of bonds to meet the deficit in the general fund.

The State Bank Receivership

We pledge our legislative candidates to secure an investigation into the affairs of the long defunct State Bank and Trust company. There are hundreds of people in Nye county who lost their savings in this institution and who are not able to secure a proper report showing the

Republican national, state, county and township officers who are deserving of the support of the Nye county voters.

assets of the bank. Repeated requests have met with silence on the part of the receiver in charge and we pledge our legislative candidates to work for the passage of a resolution through both houses of the legislature, securing the appointment of a committee to conduct a public investigation of the affairs of the bank.

Good Roads

We pledge our county and legislative candidates to adopt every means whereby the roads of this county will be repaired and new thoroughfares constructed. We recognize that good roads mean that hundreds of tourists will pass through our county, and within the next few years thousands of motor driven machines will cross the continent. It is within the power of southern Nevada to provide a feasible route for the travelers, and we pledge all our candidates to secure the enactment of a proper measure that will insure the construction of a

transcontinental route through, Nye county.

Primary Election Law

We pledge our legislative candidates to the enactment of sweeping amendments to the present primary law, which in its self is nothing short of farcical. We favor such amendments that will prohibit voters from flocking from one standard to another without a declaration of their political faith. We believe in the sanctity of the ballot and urge that secrecy be continued, but are opposed to the present construction of the primary law that allows fraud being perpetrated.

Free Text Books

We pledge our legislative candidates to labor for the passage of a measure providing for the furnishing of free text books by the state to the pupils attending our public schools.

NO LACK OF FUNDS FOR COUNTY SEAT FIGHT

In the county seat fight now in progress in Lincoln county between Caliente and the present court house town, Pioche, the Caliente residents claim to have raised \$17,000. One man is said to have contributed \$1500, and it is declared by the finance committee of the Caliente fight that the removal will not cost the taxpayers one cent, as Caliente will furnish all the money and do all the work.

A Harmless Remedy That Beautifies and Darkens the Hair

IF YOU WISH TO DOUBLE THE BEAUTY OF YOUR HAIR TRY SAGE AND SULPHUR

What a pity it is to see so many people with thin, wispy hair, faded or streaked with gray, and realize that most of these people might have soft, glossy, abundant hair of beautiful color and lustre if they would but use the proper treatment. There is no necessity for gray hair under 65 years of age, and there is no excuse for anyone, young or old, having thin, straggling hair, either full of dandruff or heavy and rank smelling with excessive oil.

You can bring back the natural color of your hair in a few days and forever rid yourself of any dandruff and loose hairs, and make your hair grow strong and beautiful by using Wyeth's Sage and Sulphur Hair Remedy. For generations common garden Sage has been used for restoring and preserving the color of the hair; and Sulphur is recognized by Scalp Specialists as being excellent for treatment of hair and scalp troubles.

PLEASING PROGRAM FOR HYPATIA READING CLUB

On Thursday afternoon at Mrs. H. C. Jones' there was something of a reunion, Mrs. Grace R. Moore and Mrs. Brown being heartily welcomed after their long absence.

A resume of the studies for the coming month resulted in the following program:

Early music, including Bach; early classics, including Beethoven; the romantic; the modern foreign school; the modern American school; Wagner, opera, and lastly, the Gregorian forms and masses, a selection that will surely delight these lovers of the aesthetic.

Mrs. Eugene Howell sang "The Dragon Fly" and for an encore "The Story of a Rose," two exquisite ballads, which were beautifully rendered.

---how much Is A "Regular Customer" Worth to Your Store?

Suppose you could BUY 100 additional REGULAR CUSTOMERS during the next week or two—customers who, for years and years to come, would make a MAJORITY of their purchases of goods in your line at YOUR STORE?

What would each of these 100 customers be WORTH to you?

It is, we think, quite likely that if such an investment were possible, you'd eagerly pay TWICE AS MUCH as it would cost you to secure these 100 REGULAR CUSTOMERS through an advertising campaign big enough and aggressive enough to really make people ACQUAINTED with your store!
